

A vibrant, cartoon-style illustration of a winter wonderland. In the center-left, a large, friendly-looking reindeer with large, curved antlers and a white and brown coat stands prominently. To its right, a young girl with blonde hair tied in a red bow, green eyes, and rosy cheeks wears a red Santa-style outfit with a white fur-trimmed collar and a green belt with a gold buckle. She is smiling joyfully. The background is a snowy landscape with several tall evergreen trees. One tree on the left is decorated with colorful Christmas ornaments like candy canes and gingerbread men. Another tree on the right has wrapped gifts at its base. A small reindeer is visible in the lower-left corner, and another is in the lower-right. The sky is a deep teal, filled with numerous small, glowing stars and a bright, greenish-yellow aurora borealis. A string of colorful lights hangs across the top of the scene.

enchanted
evening

In a cozy little house, not far from the glistening snow, lived a girl named Everly with a heart full of wonder and a world to explore.

One magical night, as stars twinkled above,
Everly heard a soft jingle and saw a reindeer
named Comet, his eyes filled with love.

Comet had a mission, from Santa himself, to find a helper whose joy was the greatest wealth.

Together they flew, soaring high above trees,
the world was a wonder, a sight to see.

They visited workshops where elves made toys, and Everly helped, bringing Christmas joys.

The Northern Lights danced in colors so bright, showing the way, a beautiful sight.

Everly's laughter was a melody that night,
spreading happiness, making Christmas
bright.

As dawn was nearing, they returned with cheer, Comet had found a friend, precious and dear
